CORONAVIRUS NEIGHBOURHOOD SUPPORT

TARA neighbours are rallying round to support each other in these testing times.

If you are self-isolating, at risk, or ill and need assistance, there's a network of people ready to help you with things like **shopping, picking up prescriptions, or posting letters** (subject to whatever restrictions may be in place at the time!). **Or you might even just value having a chat with someone on the phone.**

We're also setting up a support network for small businesses and self-employed people who are finding things tough.

If you need help, please get in touch:

- Call or text TARA on 07311 605858 at any time
- Email tara@tradescant.net
- Visit tradescant.net/virus

Makes sure you tell us your name, address, and what you need and we'll do our best to help.

Other ways to keep in touch with your neighbours:

- Facebook group: facebook.com/groups/tradescantroad
 - TARA WhatsApp group (please ask to be added by emailing tara@tradescant.net with your mobile number)
-
